

**Listing ID: 30**

**Company Name: Matheson & Horan Associates**  
**Description: Health and Safety Specialists for all businesses in the Falkirk area.**

**Jim Gardner of Matheson & Horan Associates is a Health and Safety specialist working with businesses in Falkirk and the rest of Scotland.**

**Effective health and safety procedures, dealt with through a straightforward management system, will improve your business efficiency and profitability.**

**Recent legislation has put greater demands on companies to take a proactive approach to health and safety. There is now a requirement for detailed and documented risk assessments, safe systems of work and appropriate training.**

**If you are not up-to-date with current legislation, you may be in breach of Health and Safety Law and at risk of being prosecuted for a criminal offence. This may result in fines or even imprisonment as well as possible negligence claims.**

**Matheson & Horan Associates are health and safety specialists and have clients, both large and small, in Falkirk and throughout the UK. They deal with businesses in most industry sectors from Building and Construction, to Hotels and Restaurants.**

**MHAssist (the trade name used by Matheson and Horan Associates Ltd) implements new health and safety procedures and brings existing policies up to date. It allows you to have complete control over your company's health and safety procedures and provides:-**

- \* health and safety policies**
- \* updates in current legislation**
- \* comprehensive legal expenses insurance**
- \* 24 hour legal help line available 365 days per year**

**The MHAssist system will help your business to avoid costly prosecutions by introducing effective health and safety procedures.**

**Experience peace of mind knowing that you**

**have an effective health and safety management system in place.**

**So whether your business has one or one thousand employees, speak with our Health and Safety Specialist today.**
