Company Name: Wilson and Wilson

Description: Wilson and Wilson have been in existence as Architects in the Falkirk area since the end of the 19th century. In this time they have acted as Burgh Architects for both Grangemouth and Denny Town Councils. The scope of the work which has been carried out by the firm over this time ranges from major civil buildings to individual houses, through industrial, commercial, health building and defence. Although housing (both public and private sector development) has been Chief in the firm's work load through most of this time many of the area's foremost employers figure in the firm's client list. The firm has an enviable expertise in the provision of Architectural services in Residential, Commercial, Industrial, Health, Defence and Leisure sectors

At this time the firm is run by Jack Berwick and Sandy McGill from Arnot Grange, a fine Victorian Mansion to the West of Falkirk Town centre on the Antonine Wall. There are currently four other work stations, each with Autocad 2002 and the firm is actively recruiting to fulfil a healthy order book.

While the firm has always been in the most part mono disciplinary, it has contacts with many other consultants and can arrange design teams to suit the individual requirements of any client.
